

6 STUDENT ENGAGEMENT STRATEGIES

1. ADOPT ACTIVE AND COLLABORATIVE PEDAGOGICAL APPROACHES

- Problem-based approach (PBA)
- Co-construction of knowledge
- Flipped classroom

2. EMOTIONALLY INVOLVE STUDENTS IN THEIR LEARNING

- Establish a bond of trust
- Game-based approach

3. MAKE THE SUBJECT MATTER AND LEARNING ACTIVITIES SIGNIFICANT FOR LEARNERS

- Make a connection with the aspirations of students or their future profession
- Cater to the interest of students and call on their personal experience

4. INTEGRATE INCLUSIVE APPROACHES

- By varying the means of representing information
- By being flexible with regards to the means for student expression, action or engagement

5. FORMULATE FREQUENT AND CONSTRUCTIVE FEEDBACK

- Different types of feedback
- Continuous feedback
- Audio or video feedback
- Peer assessment

6. REMOVE THE WALLS OF YOUR CLASSROOM

- Extending the classroom to a virtual space
- Extending the class elsewhere in the college
